Great celebration of 10th anniversary entrepreneurship at HvA

September 2015 HvA minor entrepreneurship started with the 20th group of students that enrolled for the entrepreneurship program. We decided to celebrate our 10 Anniversary on Saturday 10-10-15.

During this evening we looked back on what has happened the last 10 years and forward on what the future can bring us. Our EUNET project was part of the future steps we going to take!
